

Sustainable Furniture

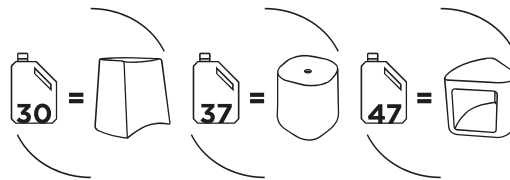

Collection

WHEN SUSTAINABILITY MEETS WELLNESS

50% Recycled 100 % Recyclable

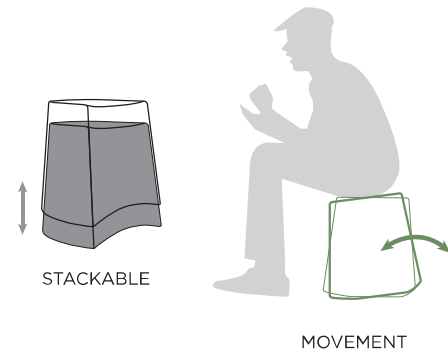

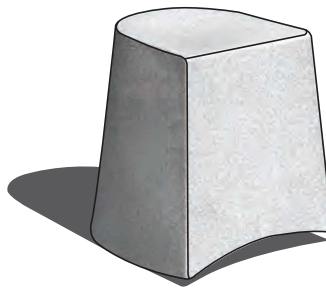

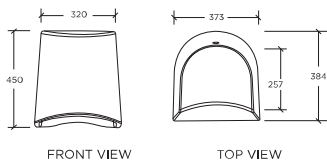

Sustainability is no longer an option but an issue that everyone should partake.

MOTION

HEALTHY SITTING

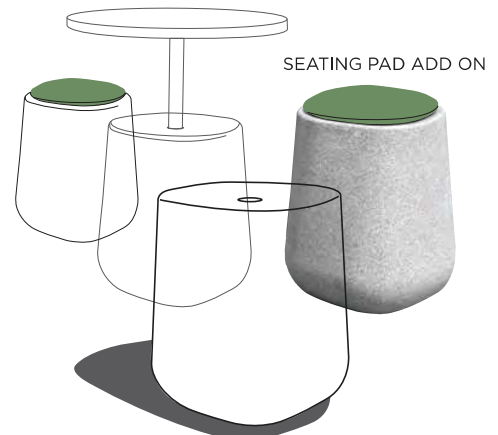

with pleasing form and absolute functions designed to support more movements and sitting postures.

MONO

WELLNESS | MOVEMENT

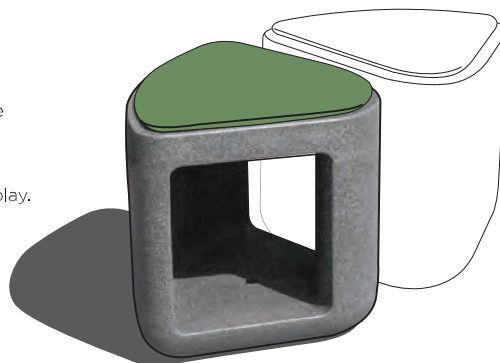

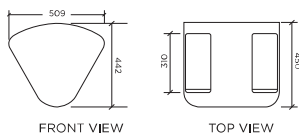

The gimmick of this multifunction seating is its form which enables the sitters to move and rocking stools for users' good health.

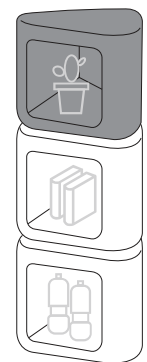

MIXX

MIX - USE

The design allows its users to partake in creating its working functions by arranging the furniture horizontally or vertically in line with the working nature, area size, and patterns of display.

SEATING / SURFACE

PUBLIC USE / PRIVATE USE
